

NURSERY SCHOOL

May 2022

DIRECTOR'S NEWS:

It's hard to believe that this school year is almost over! This will be the last Nursery School Newsletter for this school year, considering there are only a few days of school in June. *Please take note of all the important dates coming up.

I want to thank everyone, parents, teachers and children, for making this year a big success. This school year has been an uncertain journey to navigate at times with the constantly changing mandates but we have done it with complete success thanks to all of you. I hope all the parents and children are happy and fulfilled with their experience at our Nursery School. We have truly enjoyed you being a part of our school. I hope that these wonderful times will always be remembered by everyone. Have a Terrific Mother=s Day, Happy Father=s Day and a safe and terrific Summer! Good luck to all of the children entering Kindergarten in the Fall, we will miss you all!

BEFORE AND AFTER SCHOOL:

When the children are waiting for school to begin and after being dismissed, please watch that they are not climbing on the trees or pulling on branches or flowers. All children should be watched by their parent that they are behaving properly and not being disrespectful to other children. Thank you for your help with this.

TUITION:

Please remember that May 2022 and September 2022 are due on May 1st. You have until the 7th to pay without a late fee, which will incur on May 8th for both payments. May tuition is the last payment for the 2021- 2022 school year. **All tuition payments must be paid in order to participate in Moving Up or Graduation ceremonies.**

PLAYGROUND TIME:

For the safety of your child, please have them wear sneakers to school. They will be playing outside on the playground more often as the weather gets nicer. Please no flip flops, water shoes, Crocs or sandals **PLEASE.... Sneakers are the best and safest option.**

SUMMER PROGRAM:

There are still a few spaces still available for the Summer Program. Please see me for information. The program runs from July 5th - July 28th, Tues. Wed. And Thurs. from 9:00 - 12:00 for \$425.00 plus a \$50 registration fee. It's a perfect way to keep our preschoolers busy for the summer and to ensure that they continue a routine in a school environment. The children who attend enjoy the time they get to spend socializing with other children

and engaging in fun crafts and activities!

Ms. Kerry=s Pre-Nursery Class

We all had an amazing April! The children had such a fun time celebrating Easter. They had such a terrific time at our party and egg hunt. We made Easter baskets, bunny hats, chicks in eggs, kites and crosses. We painted using blocks and toy cars! We learned a lot of new songs and love singing them!

We have caterpillars in our classroom that we will release once they turn into butterflies!

Miss Breanna and I are looking forward to May when we will be making beautiful Mother=s Day gifts, bird feeders, painting shells and a lot of other fun surprises! Please note that our last day of class is June 2nd. We will be having a picnic outside to celebrate!

Miss Breanna and I enjoyed a wonderful year with your children. They grew so much this year and are such a blessing. Enjoy your Summer and see you in September!

Ms. Donna=s Pre- Nursery Class

I hope you all enjoyed your Easter celebrations and had a restful break. April was amazing. The children had a fun Easter party and an exciting egg hunt. The children looked adorable with their bunny hats on!

May is our yellow month. We will make yellow, Spring and Mother=s Day projects. Its hard to believe that the year is drawing to a close. Our last class will be on June 3rd where the children will have a party to celebrate.

We have enjoyed your children tremendously. Thank you for sharing them with us! We appreciate your wonderful help and cooperation throughout the school year. Ms. Kris and I will miss the children very much. Have a great summer!

Ms. Kerry's Class

We had such an Awesome April!

We celebrated Easter and made a lot of fun crafts this month. We painted using blocks and toy cars. We continued to learn more about nature, spring, recycling, the world around us and taking care of our planet.

These kids are learning so much! We set up a butterfly station where we used magnifying glasses to closely examine the butterflies. We did butterfly puzzles, read butterfly books and we learned all about the life cycle of a butterfly. We have caterpillars in our classroom that we will release once they turn into butterflies! I am still so impressed with how much you are working on letters and numbers with your children at home. They are way ahead of the game! This month we practiced letters J and T. We learned the sounds that they make and some words that begin with those letters.

This month our color of the month was purple. In May, it will be yellow. We enjoyed singing our new songs this month. Our favorites were, ADid You Ever See a Bunny@ and AHere Comes Peter Cottontail.@

Please continue to take advantage of the scholastic magazine subscription by going to scholastic.com/mybigworld.com There are fun activities for the kids to do online. Our class code is Kerry2022. The next editions are AHop, Climb, Fly!@ and Asafe Around Town.@

Miss Breanna and I are looking forward to May when it will finally be even warmer to go outside more because the ARain, Rain will go away@ and all of our April showers will surely bring on the May flowers. We will celebrate Earth Day and the children will be making a very special Mother=s Day gift that I hope you all love! We will also begin learning our last names, addresses and phone numbers. Please have your child practice all of this at home!! Finally, please mark your calendar for our Moving Up Ceremony on June 8th at 9:30. We will be having a class picnic (kids only on June 6th) to celebrate the end of the school year. Happy May!!

Ms. Dominique's Class

In April, we learned that April showers bring May flowers. In May, we will all learn how showers help flowers grow. We touched upon Earth Day and how we can keep our Earth clean. Our color of the month was purple, and the letters we learned were I and T. May is our yellow month. During our morning routine, we will continue to practice pronouncing and spelling our complete name. We will start to learn our home address. Please continue to go over this at home. We will be making Spring projects and something special for Mom for Mother's Day. If any of the children celebrate a summer birthday, we can celebrate it this month; please just let me know which day you would like. Our class will have an end of the year party on Wednesday, June 8th. We will also begin practicing for our Moving Up Day. Our Moving Up will be Thursday, June 9th in the church at 9:30am. The children will come to school at 9:15 on Thursday, June 9th. With all these exciting things happening this month, May is going to fly by, and it will soon be the end of the year. We wish everyone a safe and wonderful summer. Miss Donna and I will surely miss the children and all their wonderful stories. It was truly a pleasure to have

your child in our class. I hope they enjoyed this year as much as we did. Happy Summer!!

Ms. Danielle's Class

April was full of Spring and Easter fun! We used our 5 senses to describe Peep Bunnies, went on an Easter egg hunt looking for letters and made a bunch of arts and crafts.

In May, we will be finishing up our alphabet with letters X,Y, Z and our numbers 19 & 20. We are planning a "Muffins with Mom" on Thursday, May 5. The children have already started making some wonderful things for you! Keep an eye out for an invitation with details!

It's hard to believe the school year is coming to an end. In June, the children will be participating in Field Day, learning Graduation songs as well as having some fun messy days making slime, tie dye and bubbles!

Graduation will take place in the church on Wednesday, June 15th with student drop off at 9 and the ceremony beginning at 9:30. More details will be shared as the date gets closer.

It's time to say Good-bye, our year has come to an end.

We've made more cherished memories and many more new friends.

We've watched your children learn and grow and change from day to day.

We hope that all the things we've done have helped in some small way.

So, it's with happy memories we will send them out the door, with great hope and expectations for what the next year holds in store.

Have a great Summer!

Ms. Danielle & Miss Mary-Kate

Ms. Dana's Class

We are happy to welcome the month of May with sunny skies and warmer weather. The children love getting outside daily to use the playground. Please remember to have them wear comfortable clothes and rubber sole shoes so they can navigate the play equipment safely.

Our favorite school day this month was when we celebrated our 100th day of school! We made fancy crowns, read a great 100th day of school book and played lots of games!

In May, we will be finishing up the alphabet and continuing our number recognition and writing. As we finish the alphabet, we will be reviewing all our letter sounds until the end of the year. We will continue adding some hands-on science experiences this month.

I want to wish all the moms a very Happy Mother's Day! The children have been very busy making special gifts for their mothers. We hope you will join us for muffins!

With a blink of an eye our school year will be coming to an end! The children will be participating in field day in tie dye shirts that we will make in class! We will begin to practice songs for our graduation day. Graduation will take place in the church on Wednesday, June 15th. More information regarding Graduation will come as we get closer.

Miss Christine and I would like to thank you for sharing your amazing children with us! It has been such an honor to be able to spend this time with them and watch them grow into such wonderful children. They have all been such a joy to be with and you should

be very proud of both of them. We will miss them all very much! Have a great summer!
