

Nursery School News: September 2023

We hope everyone had a wonderful Summer. It flew by so quickly! It's hard to believe the start of a new school year is upon us already.

Our Summer Program was a huge success! This year, we added an additional week of fun and offered a five-week program. The program had three full classes, with an enrollment total of forty children in attendance between the ages of two and five. We created new and exciting themed crafts each week that all the children enjoyed. Our fun weekly themed crafts this year were: ***The Fourth of July, Jungle Animals, Summer Fun, Superhero, and Carnival Fun!*** Each week ended with a fun-filled water day, where the children played with water table toys, had fun running through the sprinkler, and playing with water shooters. It was wonderful to have the opportunity to see their smiling faces over the Summer and watch them play and make new friendships.

The Nursery School is preparing for another exciting school year, where we get to welcome back the returning students and meet the new families that will be joining us! School will begin on Monday, September 11th for many of our classes. We are excited to announce that we are steadily growing and have expanded to three two-year-old classes this school year. Due to our growing enrollment, we have also brought back our afternoon three-year-old class. Our four-year-old program will be offering a new extended-day kindergarten readiness program, which we are looking forward to. With all these new and exciting programs, the staff can't wait to return and get started on another great school year.

If you or someone you know is eighteen or older, has experience working with small children, or is eager and willing to grow in this rewarding field, we have two teacher's aide positions open! The hours available are Monday-Friday, 9AM-11:30AM, or Monday, Tuesday, Thursday, and Friday, 9AM-11:30AM. If you would like to learn more or are interested in applying, please send your résumé to our Director, Dana Antonette, at cnsdirector@clcwantagh.org.
