

NURSERY SCHOOL NEWSLETTER

April 2022

Director's News:

BEFORE AND AFTER SCHOOL:

Now that the weather is getting warmer, please watch your child during arrival and dismissal outside on the front lawn; that they are not climbing the trees, moving the Belgium blocks around, pulling out flowers or playing in the "pit". The "pit" is the side of the building that the four-year-old classes use to enter and exit the school. The grass hill is very steep and leads to a cement landing and the brick wall of the school building. **This is not an area that the children should be playing.**

TUITION:

Just a reminder that Sept 2022 tuition is due by May 1st for the students returning in the Fall. If you have not yet signed up for the upcoming school year and wish to; please contact us immediately. Some classes are already closed.

The tuition schedule for the remainder of the year is as follows:

April **tuition due now!!**

May 1st - May tuition **& Sept. 2022 tuition**

June -no payment (paid in September) If not paid,

Please pay ASAP. Plus \$10 late fee

Aug 1st - June 2022 tuition

All checks should be made out to: **CHRIST LUTHERAN CHURCH**

SCHOOL CLOSINGS:

April 14-22 Spring Break

Children return on April 25th

SUMMER PROGRAM:

Information was sent home with the children and can also be found on our website. Summer program will run from July 5th-July 28th, Tuesday, Wednesday and Thursday. Please send in your registration form with a \$225 deposit plus the \$50 registration fee. The balance of \$200 is due on June 1st. Please make checks out to Christ Lutheran Church. A discount is available if you pay \$450 by April 29th. If you need any additional information, or another registration form do not hesitate to ask.

REMEMBER THERE ARE LIMITED SPOTS AVAILABLE AND THEY FILL UP QUICKLY SO PLEASE RESPOND QUICKLY.

AS THE WEATHER GETS WARMER ...

Jellies are cute.

Sandals are cool.

Swim shoes are neat,

For a backyard pool

But...When coming to school,

Where we jump and run

Gym shoes, ***PLEASE***

For safety and fun!

Ms. Kerry's Pre-Nursery Class

We had such a busy March! The children had such a fun time making their Saint Patrick's Day crafts! Painting with real potatoes and using hot wheels cars instead of paint brushes were both a big hit. We enjoyed singing all the new holiday songs that we learned. Our favorite was, "The Leprechauns Go Marching". We loved spirit week and music and movement with Miss Mary-Kate. I can tell that every single child in our class absolutely loves school this year because they are smiling the entire class!!

We are looking forward to April when it will finally be warm enough to go outside and play!

Happy Easter!

Ms. Donna's Pre-Nursery Class

I hope you all enjoyed your March celebrations. I know the children all enjoyed our St. Patrick's Day festivities at school. The children were very excited searching with their binoculars for leprechauns. One sneaky leprechaun entered our classroom and left behind some footprints, treats and one big mess!

Thank you for your donations for our event.

Hello Spring! We seem to finally be enjoying some warmer weather. We have spent so much time indoors and will be excited to spend some outside time enjoying the weather and many things that we can observe in spring! In the month of April, we are introducing the color purple. Our Easter party celebration will be held on Monday April 11th.

Ms. Kris and I wish you a very Happy Easter!

Ms Kerry's Class

We had such an incredible March! These kids are learning so much! I am so pleased with how much you are working on letters and numbers with your children at home. They are way ahead of the game! This month, the children had such a fun time making their Saint Patrick's Day crafts. We painted using real potatoes, we marbled painted shamrocks and made adorable leprechaun hats. We made beautiful thumb print rainbows with gold coins and had an awesome visit from local author, Karen Kerge, who came to read us her book Betsy the Diva Dog and even brought Betsy! Our class enjoyed singing all the new holiday songs that we learned. Our favorites were "The Leprechauns Go Marching". We loved spirit week and Music and Movement with Miss Mary-Kate. Please go to scholastic.com/mybigworld there are fun activities the kids can do online. Our class code is Kerry2022. The letters that we studied this month were S, A and I. We are almost done with the alphabet! Miss Breanna and I are looking forward to April when it will finally be warm enough to go outside to play and learn more about nature, Spring, recycling, the world around us and taking care of our planet.

Happy Easter!

Ms Dominique's Class

March came in like a lion and out like a lamb! We had so much fun at our St Patrick's Day Party. We had a special appearance from our tricky leprechaun who left us some gold coins which the children loved finding. The children looked adorable in their leprechaun hats. We also learned the Letters O, Q, G, S and A. Our color of the month was Green.

Please continue practicing both first and last names at home. Most of the children already know how to spell their first names. We are so proud of them. We have started recognizing their last names now. Our class also began talking about Spring and all the changes it will bring to us.

In April we will talk about, Spring, New life and that April showers bring May Flowers.

Hoping you and your families have a very Happy Easter!

Ms. Dana's Class

Happy Spring!!! We are all anxiously awaiting the warmer weather so we can go outside and explore nature! We had a remarkably busy month full of learning and celebrations! We learned the letters R, K, A, M and N, and the numbers 13,14,15 and 16. We started off the month celebrating Dr. Seuss week with some fun crafts and books. We celebrated Spirit Week by coming to school in our cozy pajamas, sporting some wild and crazy hair styles, and wearing blue to celebrate our school. The children are enjoying the additional Music and Movement classes with Miss Mary-Kate. These classes get the children up and moving along with the beat of the music and introduce them to some fun instruments! The children were all smiles on picture day, we hope you were just as impressed with the proofs online as we were. Make sure to get your orders in as soon as possible if you haven't done so already. To prepare for St. Patrick's Day we made some leprechaun traps and read many stories about St. Patrick's Day and leprechauns! Unfortunately, we were not lucky enough to catch that sneaky little trickster. Did you hear about our little visitor? A sneaky little leprechaun made a mess in our classroom and left footprints everywhere! All is forgiven though because he was nice enough to leave us all a sweet treat and a little gift. We still enjoyed our St. Patrick's Day celebration where we all wore green and enjoyed some green bagels and treats! Looking ahead at April we have some more great things to look forward to. The children will be learning all about Palm Sunday and Easter Sunday. On April 7th we will be celebrating our 100th day of school! On April 13th we will have our Easter celebration in class.

Wishing you all a happy and healthy Easter! Enjoy the break!

Ms. Danielle's Class

March was a fun filled month! We learned the letters K, A, M and N as well as numbers 14-16. We made fun crafts such as kites that the children loved running around with outside. As part of our St. Patrick week, we planned out and constructed leprechaun traps, but that sneaky little guy made a mess and got away!

Thank you all for your donations to the St. Patrick's Day party, the green bagels were a hit!

Our 100th Day was at the end of the month and we had so much fun! We completed exercises in groups of 10, walked 100 steps in the building to see where it took us and did a craft!

In April we will continue on with our letters and numbers and learn more about the Spring and Easter. We are learning new Easter songs and will have our Easter basket hunt right before break. We look forward to more beautiful days to enjoy the playground outside.

We wish you all a Happy Easter and a wonderful Spring Break!
